[www.francesupplychain.org](http://www.francesupplychain.org)

## ABOUT

FRANCE SUPPLY CHAIN by Aslog and its members drive and support French companies and institutions transformation of their complete value chains. All sectors at the heart of the national and international economy are represented side by side with universities.

## OBJECTIVE

Our community is committed to strengthening the impact of Supply Chains on business competitiveness and making it a lever for a more sustainable world. Its network of 4,900 members, professionals from all sectors of activity, teachers-researchers and students, pool ideas and experience to provide Supply Chain players with concrete solutions
