

The European Logistics Association awards the sole right to  
the ELA Certification scheme to

## Hellenic Institute of Logistics Management

Hellenic Institute of Logistics Management has established a National Certification Centre (NCC) thereby ensuring that  
The ELA Standards for logistics and supply chain professionals will be strictly observed in their territory.  
The National Certification Centre is authorised to certify by ELA Certification, individuals in  
achieving the necessary standards. HILME can also do assessments in Cyprus on behalf of ELA.
